

The Aztecs in Five Objects - Your final assignment for the course(No Pressure)

How would you describe the Aztecs?

- What are some of the key points in their history? Why are these points important?
- What are their key characteristics?
- What are some of their accomplishments?
- What influenced them and how did they influence that which was around them(think about both the landscape and the people)?

For this assignment you will be answering these questions.

Your task: Describe the key features, characteristics and influences of the Aztecs in five objects.

Each object will symbolize an aspect of the Aztecs.

***Use the questions above to guide you when choosing a symbol.

Each object needs to be accompanied by a card explaining what it represents and it's significance.

The checklist of what you will need to hand in:

_____ 5 objects (these need to be contained in something like a box, basket, bag, etc. Think about what works with the topic)

_____ Write up for each object

Due Date: _____
